

## Staff Accountant (part time)

### COMPANY DESCRIPTION:

Perceptron, Inc. is an established technology company with a long history of innovation. Our global infrastructure, technological breadth, brand recognition within the industry, and—most of all—our people, set us apart from the competition.

Perceptron develops, produces, and sells non-contact measurement and inspection solutions for industrial and commercial applications. Automotive and manufacturing companies throughout the world rely on Perceptron's metrology solutions to help them manage their complex manufacturing processes to improve quality, shorten product launch times, reduce overall manufacturing costs, and ultimately improve productivity. Additional information is available at [www.perceptron.com](http://www.perceptron.com).

**Perceptron was recently acquired by Atlas Copco and a part of Atlas Copco's newly created division Machine Vision Solutions within the Industrial Technique business area.**

**Atlas Copco, a company established in 1873, based in Stockholm, Sweden has customers in more than 180 countries and 39,000 employees. Through Perceptron's position in automated metrology and robot guidance solutions, together with the recent acquisition of ISRA VISION, Atlas Copco is creating a strong offering in machine vision solutions. The customers will receive an increased support in their transition towards smart manufacturing and flexible automation.**
